The Premises:

Le Chateau has had a few bad reviews lately, and I only called in after an being faced with a long wait at Giggles when I turned up on spec. After being heckled by lads in the warehouse opposite Giggles ("We know where you're going!"), I was glad that the back-street garage you have to pass to get to the Chateau was deserted at lunchtime. I'd rung on the way and was told that both girls were free, and once there I had a choice of Claudia and a short but pretty oriental girl.

The Lady:

Claudia is Italian (genuinely, I think), medium height with lustrous long black hair, boobs that stick out like bazookas and a peachy, rounded little ass. She looked fabulous in stockings, basque and high heels and was very friendly and eager (though her English is limited).

The Story:

I had an excellent time with Claudia. She knelt over me on the bed while I sat up and gave her boobs some serious oral attention. Then I knelt alongside her and while my hands were occupied with her nipples and pussy, she cupped my cock and balls and began a lovely, teasing, tickling treatment that soon had me hard as granite. No kissing alas, but she was happy to allow close hugs and neck nuzzling.

I'd asked for 69 so I lay back while Claudia stretched out over me and lowered her pussy right into my face while she put a condom on me and got to work with her mouth. When a pretty girl tastes good, responds well, and gives my cock a good workout this is as close to paradise as it gets for me, and the next 15minutes or so were superb. Her expert sucking and licking had me ready to come in no time so I got her to stop, sit up and grind herself into my face while I reached up and fondled her lovely boobs. She didn't mind my finger up her bum, even though it was possibly the tightest little ass I've ever invaded and I really had to wriggle and push to get a digit inside her. Arsehole thereby opened, I gave her little rosebud a few minutes of rimming before returning my tongue to her clit, helping Claudia to achieve what appeared to be a genuine climax as she bucked up and down on me. Whew!

Then she fastened her mouth round my cock for a minute more then we switched to missionary. After about two minutes of rapid pumping with that warm and curvy body under me, I exploded into

the condom with a loud groan of pleasure. For ?60 that was one hell of a ride... Claudia is a girl and a half, no doubt about it.
