### The Lady:

Early 20's, nice firm pair of tits, were specs (through have advised her to take them off during our session)

### The Story:

Took a gamble as requested kelly when walked through the door even through there was no pic on the website but judging by the discription on the site it sounded good.

When Kelly walked through the door she wore a santa's outfit, which came off very quickly, started with a quick back rub followed by her licking your scrotum (before u could say 'merry xmas') & I have to admit that this girl pay a very large amount of time kissing/licking your balls through kissing on lips wasn't allowed. Then it was followed by BJ(covered) as she charges xtra if u want it uncovered but due to the amount of xmas shopping I did,I couldn't afford it.

Overall, a very good service & if u want your balls to have special attention then I'll recommend this lady.
