### The Premises:

at my hotel

### The Lady:

34/37???-larger size powerful body-10dress-great d cup tits-still good arse-more than averagely tall-blond hair-attractive more mature looks.

### The Story:

Abi is a great gal-a real pro/not meant to be a criticism-maybe youre number 3 ticked off today. Friendly/relaxed aussie gal/easy to talk to-don?t think she remembers much of it tho.

Personality wise friendly/lots of chit chat-good brash aussie-wants what you want/happy-bright/fun. A likeable gal-natural attitude/better fucking for cash than for free/still needs it all the same.

Body wise she has a fuckalicious package/not completely slender a bit larger than my usual type/powerful+ great arse-big firm tits/she uses it really well/nothing held back-a fuck demon when shes away. More of a looker in person than the web photos/a bit heavier tho.

Sex wise up for anything I should think/knows lots of tricks/ don?t think much is off the agenda with abi.

Open to so much/her own ideas not forced on you/gets into it ultra willingly/brings it on-no underwear/soon diddling herself/

Fucked her hard and long twice+did her hard up the arse/makes her grunt, groan/shudder- she loves this-cannot fake this intensity. Fucked her long on her back/ finger rammed up her arse/goes manic the harder shes getting it. Begged for it up the arse hard/no complaints when she got it-sub act holding it open grunting away with my full weight on her. Have been to salon kittys in oz a few times-abi would be perfect for it/probably already worked there.

Fabulous to fuck/held onto her hair giving it to her from behind  
shes completely into whats being done to her-keeps up the talk about whats good-how it feels/all  
the time her pussy is sopping/ thighs wet from her juice. Very anal person- loves any invasion of her  
arse-fingers-toys- I didn't lick it out-she asked me to. Licked my arse-feels good.

Throating abi is perfection. Gripped her hair- did it deep-acts sub+ gasping for breathe+saliva drools  
out/took my spit in her mouth+swallowed. Laid on the bed head arched back/fabulous time playing  
with her. Jizzed my end away happily- performs like a GGG actress/ lots of noise as she  
plays/smears it+swallows- moans for more/ a rare treat.

Long hot shower-more dirty stuff/only a corpse would be limp with abi in the same room/sub gal  
kneeling for another deep throating-perfection. Swallows both balls-pretends to choke-  
eye contact/arms behind her.

2nd time a shorter fuck-she makes a lot of noise-put music channel on to drown wailing out.  
Fucking her mouth again fabulous ?jizzed away happily over her face-her tongue licking it all  
up+swallowed

Abi is a great gal-friendly-chatty-seems normal/goes for the professional sex maniac vibe/not for  
someone wanting a love affair/lots of passion if youre man enough to tap it Raunch levels make her  
special. Just there to be a filthy hure/who cares tho. A treat
