The Story:

Three girls working when I arrived, but I had already decided from reading a previous report that I wanted to see Kelly.

When Kelly came in the room she joined me on the bed to give a soft relaxing massage before tuning me over and paying loads of attention with her tongue to my balls. Whilst she was doing this I took the opportunity to rub her panties against her moist hole gradually slipping a finger underneath and inside.

Then it was on with the condom and taking her panties off she laid there waiting. So I slipped my cock inside putting her legs over my shoulder. Eventually I shot my load and left as a satisfied punter. Unfortunately I probably will not see Kelly again as usual shift is a Monday, not my usual punting day.
