The Story:

Called Jan early in the week after reading good FRs she said she was available later in the week so we arranged the date. I arrived bang on time and Jan answered the door quickly dressed in tight mini and top, lead me straight to the bedroom and she began very passionate french kissing she then undressed me went down on her knees and began an excellent blow job I returned the favour (she loves it) then back to my turn, unloaded in her mouth she swallowed the lot amazing!, then had a breather and straight back into it more oral, 69, her on top, doggie then wanked off into her mouth again.

Why people visit parlours is beyond me this girl offers quality and value for money, no rush she's friendly chatty and attractive and above all she spends time in the bedroom like a girlfriend. Not like most parlours where the girls are going through the motions and you always leave unsatisfied, Believe me you will leave here with a satisfied smile.
