### The Premises:

Average parlour. Pleasant rooms

### The Lady:

Slim good looking girl. Nice face and body. Dressed in long black dress - wow!

### The Story:

What a waste of time and money. One of the worst punt ever - just went through the motions and pretty poorly at that.

The only question left to ask is why do I and everyone else waste our time when we are lucky enough to have Sandys' on our doorstep here in Manchester, where you're guaranteed a great time 99 out of 100.
