### The Premises:

Difficult to find at first, well set back from the road, but clean and tidy

### The Lady:

Bubbly blonde, nice boobs and cleanly shaven

### The Story:

Reasonable service, there was a menu in the room that all girls had to stick to for prices, although items not listed were open to negotiation. The bed was high and firm, and the room was dimly lit, making it hard to enjoy rachel's assets fully. En suite shower for use before and after if required. Porn movie playing and tapes available for purchase. Overall very enjoyable, even though fingers were not allowed
