The Premises:

Usual high standard. Offered a drink on arrival and introduced to the only available girl Leah.

The Lady:

Leah is a very pretty girl. Very sexy slim body with a fantastic shapely and firm arse.

The Story:

Took a chance turning up without booking as all four girls looked good on the website, decided to take pot luck. I was certainly lucky that I was able to see Leah. Very friendly and chatty. The room I was in had to share a shower with the next room and I had to wait nearly 10 minutes for another man to finish his shower. Leah was waiting in the room for me by the time I'd finished.

Leah gave me a full body to body massage with her gorgeous naked body rubbing all over me. She lay down on her stomach for me to massage her. Spent most of the time kissing and licking her lovely arse and playing with her with my fingers. I could have spent the whole session just doing that. She offered OWO but it felt just as good covered. So good that I just lay back and let her finish the blow job with her sitting on my face.

Excellent time spent with Leah, she's a lovely gentle sexy girl and I'll be back for more.
