Sandys has been reported many many times, so if youve been, youll know, if not, read another FR.

The Lady:

As Patrice walked in the room, I was struck by one thing, her eyes. I know its a strange thing to report about this type of establishment, but it really is what I noticed most about her. She has been described before, and every word is true, but no-one seems to say that she is absolutely beautiful. She is a classic beauty, and her Egyptian features only serve to enhance her beauty. She is kind, considerate, very loving, and gentle.

The Story:

Patrice, this is for you.

After waiting in reception for just over an hour (well worth the wait), I was shown to the room, I had a shower and had only just finished drying myself, when she walked in. After a little chat, I lay on the bed, and she gave me a massage, starting with her fingers, then her mouth, tongue, and her boobs. Talking all the time in that sexy accent of hers. I turned over, and watched her strip her bra and knickers off, before she lay at my side, and we kissed and cuddled, our hands exploring each others bodies. She asked wether I wanted Oral with or without, "Without" I said.

She set about licking, even gently nibbling my cock, as she gently cupped my balls in her hand before giving me a blow-job that can only be described as mind-blowing, it felt as though she was trying to suck my brains out through my cock!

"Would you lick my pussy for me?" she asked, coming up for air, I didnt need asking twice! She straddled my face, and I licked all around her pussy, and sucked on her clit. She stopped sucking me as she concentrated on her own orgasm, "Dont stop, just do what youre doing." She said. It wasnt long before her pussy lips were quivering as she came, my mouth still firmly attached to her pussy.

Lying beside, she confided in me that she had "been on the edge" all day, and thanked me. Well Patrice, anytime. "Would you like to fuck?" she asked in the oh-so-sexy voice of hers, "I would love to", I replied, with that on went the condom, and she climbed aboard, and rode me cowgirl style, before we changed to spoons, which we both really enjoyed.

Finally, off came the condom, and we finished with coming in her mouth. Afterwards we lay on the

bed and talked until a knock at the door told us that it was, sadly, time to leave. Patrice, Im looking forward to seeing you again real soon.
