Young, pretty, slim and well toned. Small tits, but ideal for a man that likes it real not plastic!

The Story:

Leah is a thoroughly nice, friendly girl, easy to get on with and superb at her job! A nice massage, lots of attention to my balls which I love and lots of kissing and body to body contact, then offered OWO for an extra tenner which I couldn't resist. I pulled her up so she sat on my face and she seemed genuinely responsive. Sex in a couple of positions, I only wish I'd had enough strength to pull out and try the offered CIM...as it was it was too good a feeling to bother!!!

Leah said she was going to sit in and take notes from the 'famous' Kelly - but on this performance she doesn't need to - come on Sandy she must be a superstar by now! By the way Leah, City won - you could be a good omen!!
