The Story:

This is the second time Ive reported on Patrice, and, like last time, a good time was had by all! Patrice is as beautiful on the inside as she is on the outside. I wont go into details, but as we lay together on the bed, basking in the afterglow, we talked as if we had known each other for years, telling each other of our hopes and plans for the future. Patrice, if youre reading this, I sincerely hope that youre plans come to fruition sooner rather than later, as you deserve it to happen. And I hope to see you real soon. I just wish that I could have you all to myself.
