### The Premises:

Nice top floor flat is a new development. Safe and discrete with off road parking. The flat was neat and clean.

### The Lady:

Not very good at ages but I would guess mid 40's with nice legs and large firm tits. Dressed in a black lacy thing with stockings and suspenders

### The Story:

Another great punt from Judy's. I have tried three now and have never been disappointed. Started with kissing and stroking-Nina has a lovely soft mouth. OWO and 69 followed. I took off her stockings and tied her to the bed with them before entering. Her eye contact was great. Took her from behind and was offered anal but I reused. Finished with the condom off whilst I gave Nina the pearl necklace. Cuddles and kissing after until it was time to go. No rush at all.
