The Premises:

Abbas Massage is located in a very safe area of Preston close to the main A6 Garstang Road. The receptionist is friendly and there is a comfortable waiting room with a Tv and selection of non-porn magazines. The room you meet the girl is is amazing with mirrors surrounding the bed on three sides and a mirror above as well.

The Lady:

Lois is blond and very attractive with large firm breasts (36DD I bthink) and a shapely figure with smooth skin and a firm bottom.

The Story:

I have now found two girls in Preston I am more than happy to spend time with and both work for Abbas. One is Carly, whom I posted a report on in early January and whom I have seen again and the other is Lois.

I don't want to go into graphic details about my encounter with Lois as it was a very intimate and fulfilling experience. (To avoid any misunderstandings or awkwardness for her I will say that she insists on a condom for alkl activities, including oral and never makes an exception.) Suffice it to say that there was both intimate and gentle kissing and cuddling and sexual gymnastics that took my breath away. I don't know if Lois is the same with everybody, but his was a girlfriend experience par excellence and I left the room feeling that she had as much pleasure from our brief encounter as I.

Would I recommend Lois. I don't really want to as she'll get busy and I want to keep her for myself but I really could not recommend her highly enough.

Visit her again? Just try and stop me!
