### The Premises:

Honeyz is pretty well known. But it is worth pointing out that there is easy parking nearby. It does look run down from the outside, but once inside the rooms are well decorated, clean and have mirrors.

### The Lady:

Charise is Russian. I would guess she's around 21. She was pretty with shortish black hair, about 5 feet 6, slim and the most amazing pair of breasts.

### The Story:

There was a choice of two girls at Honeyz, when I called. One was slightly more mature than Charise, and looked nice. But when I saw Charise, I felt stirrings on the initial appearance, so chose her. The ?40 service is for 20 minutes. Once Charise came into the room, she didn't waste anytime taking her lingere off. And as soon as she did, I noticed, for me, a perfect pair of breasts. Medium sized, pert, and large nipples. For a little while I was deprived of the sight of them, as Charise sat on my back and gave me a brief massage, and rubbed against me. As nice as this was, I was a little impatient to turn my attention to those tits. As soon as I did, my cock really hardened, and I began a fondle and a suck. Charise responded well to this, with her nipples hardening, and generally going with the flow. After a little while, she moved onto oral which was good. Then it was time for sex. Difficult to choose which position, but as the mirror was behind us, I went for doggy so I could sneak a glance behind while trusting. Charise was tight, and this was a great experience. I built up to a good climax, while enjoying the ride. Charise was pleasant throughout, but pretty quiet because of the language difficulties. But definitely a recommended Honeyz experience.
