The Lady:

Ellen is a absolute stunner to look at.

34 y/o, long auburn hair with a lovely womanly figure topped off with amazing 36 E breasts (my true weakness).

I do admit to preferring blonde girls in the 21 - 25 age bracket (not forgetting with great boobs) ,but I thought I would break with tradition - not dissapointed.

The Story:

Ellen got me in the mood with a truly relaxing massage, which I then returned the compliment.

Sex was amazing, a very wet pussy guided and milked me to completion all too quickly.

I tried to get hard again within my time limit - alas to no avail (no reflection on Ellen.....I am the wrong side of 50, once a night is way too many times for me :-).

Simply amused myself by sucking and nibbling her great boobs whilst she caressed my "tackle".

Great time had by both (I think), worth every penny.

Hope she gets lots of business out of this FR, as I see LOTS of WG's due to my job, yet only a select few have ever made me feel compelled to write a FR on them.
