The Story:

This was the second time I had met Jane, but the first as a one-to-one, as the previous meeting had be at one of her gangbangs. I had high expectations and was not disappointed. All was efficiently arranged by e-mail then phone, and Jane greeted me with a welcoming kiss in the hotel room. We chatted for a while, then progressed to more physical matters. I immediately became rampant as Jane disrobed, and there then followed some enegetic couplings in several positions, interspersed with oral from both of us. I managed to make Jane come loudly, then later I came myself inside her - not something I often manage with the ladies, as I am not very good with condoms.

Afterwards we chatted for a while about Jane's various sites - which are all excellent - and some of her friends, including the lovely Julia from the North-West.

All in all, a most enjoyable way to end the working week! Many thanks, Jane.
