Abbie- What can i say but a real stunner, the pictures on her site dont really sum her up, she is better in real life, & as for Victoria with them fantastic come to bed eyes she?s just so devilish looking

The Story:

I have wanted to see Victoria for some time now with Abbie & for me this was going to be a dream cum true, what could be better than being sandwiched in the middle of these two wonderful ladies paying great attention to my cock, Abbie just has the amazing boobs you would want to suck for hours but then Victoria sweet pussy would miss out.

For an hour of sensual mind-blowing enjoyment I couldn?t have had better, kissing, licking & fucking I didn?t know what to do next apart from cum,

If you want lots of fantastic sex, this is the way to do it. But a WORD OF WARNING it?s taken me 3 weeks to get back on my feet after all that fantastic sex so be warned these are TOP GIRLS, can?t wait to see them again
