The Story:

Spotted on the website that Aquarius had a new lady working,no details listed but found out Jewel was a new Caribbean lady after phoning and talking to the receptionist,Jewel sounded very interesting so I decided to call in on the way home from work.

Was introduced to Jewel and thought wow!,she's a very attractive lady indeed so I immediately booked in,paid my fee and was shown through to the room where I showered and waited for Jewel to arrive which she did within minutes.

Jewel quickly undressed and started a very nice massage,quite firm and surprising for one of these places it actually felt like a proper massage,she massaged me like this for a few minutes and then asked if I'd like to turn over which I did and Jewel began to concentrate on my front paying particular attention to my nipples and my by now very hard cock before kissing me full on the lips,no tongues but no worries as I'm not a big fan of kissing with tongues anyway.

A few minutes passed and Jewel headed downstairs,time for some oral and Jewel took my cock into her mouth,fantastic she certainly knows what she's doing and has very good technique,a few minutes of this and I decided it was Jewels turn and asked her to lie down and I went to work on her clit with my tongue,Jewel really enjoys receiving oral and was ultra responsive.

Now on with the condom and Jewel positioned herself on all fours in front of me at my request and I entered her doggy style,she really has an amazing arse and it was fantastic to fuck her like this,especially being able to see her face in the mirror as we fucked,we fucked like this for 5 very enjoyable minutes or so,Jewel again was very responsive before I whispered in her ear and asked if it was ok if I climaxed in her mouth...no problem Jewel said and I lay down,removed the condom

and Jewel gave me some more of her mindblowing oral until I could take no more and I exploded in her mouth....absolutely fantastic!

A great experience with a very sexy lady,I had nearly seen Jewel when she used to work at another parlour - Indulgence in Ashton,I called in there a couple of times after work only to be told she was booked up for the evening...she was obviously a popular lady and if my experience tonight is anything to go off,she will be equally as popular at Aquarius...Jewel is a very apt name as she's an absolute gem and I can't recommend her highly enough.
