The Story:

Although this review is captioned and titled 'Mistress Victoria'. I really want to review the 'Londonretreat' as a whole.

To my mind this establishment is unique in its approach to the services offered. Its nicely equipped with an atmospheric dungeon cum bedroom. You will always be offered a drink, the place gives off an atmosphere of professionalism.

I've chosen Victorias name because she was the first girl I ever saw when I decided to make an appointment. Over the last couple of years i have never been dissappointed with the service I have received from any of the beautiful young ladies who work here. Its pure fantasy and i really mean it when I say that all of these girls are beautiful. So if the more personall of service in a BDSM scenario is what your looking for. I recommend 'Thelondonretreat' wholeheartedly.
