The Premises:

The Office has got to be a candidate for the smallest parlour in the business measuring no more than 20foot x 12 foot for the whole premises. However, it is cleanand has all the relevant amenities.

The Lady:

What can I say Kerry is my favourite lady of all time!!! She is early 30's, has a lovely natural 38dd 24 35 figure, long dark hair, some subtle delicately placed tattooes and the absolutely ultimate friendly personality. I know I am totally biased but I can't believe no other reports have been written on this lady.

The Story:

Despite the somewhat cramped surroundings Kerry proceeded to give me a delicate fingertip massage to relax me fully.

We then went on to a total exploration of each others bodies, with full girlfriend experience before moving on to what I can only describe as making passionate love.

This girl is a true gem!!!! Come on guys I know she is very popular and must have many regulars so please let me see those reports.

Thank you Kerry, you are THE BEST.
