The Premises:

Honeyz is what estate agents would term 'in need of modernisation' but it is homely and safe.

The Lady:

Black girl with quite easily the nicest bum I've ever seen. Otherwise fit, leggy and facially attractive. Quite young, probably really is 19.

The Story:

Demi came into the waiting room in glamour wear and did a twirl - she must know what her best asset is too! Upstairs in the room she got down to a satisfactory covered blow job and then let me go down on her, although she gave no sign of enjoying it. Sex was very relaxed and unrushed and she moved well without ever getting excited. I'd rather that than someone moaning loudly and obviously faking it. She may not be in the same class (yet) as the other black girls they've had here in recent times (where are Monique and Naomi these days?) but she's got plenty of potential.
