The Story:

Being a regular to Aquarius I was quite eager to see hannah after a lot of positive Fr's I read but seeing as she only works on Thursdays only at this establishment I took a day off especially to visit. Had a quick shower & then she came in & started with a talc back massage. Then gave me a good OWO which was very good indeed, asked me whether I wanted O to completion for xtra ?20 but declined. did doggy then finished with mish, afterward had a good little cuddling session with plenty of fun tickling each other.

Overall: A fun lady through a bit hard to understand sometimes when chatting so informed her to carry on sucking rather than chattin' . Also wanted to cum on her face to finish as read in other FR's but she declined. Felt the service was a bit rushed as whilst I finished having a shower afterwards, she just disappeared & said bye, leaving me in room by myself rather than seeing me out at the door which i felt rather bad-mannered. Felt a bit waste of time seeing her as not as good as expected & bit below standard of service compared to other 'Aquarius' WG's, doubt I'll be seeing her again but will see other Aquarius ladies instead. Def felt dis-satisfied & should have spent my money on other WG's instead.

Service Provider's Rebuttal

The establishment writes, "Thanks for your report is was appreciated. I do know you are a regular punter here and I was concerned to read that you felt your booking was not all it should have been. If you wish to return and make yourself known (we have a good idea who you are) I am more than happy to come to an arrangement agreeable to all. Thank you for your previous support and we look forward to seeing you (hopefully) soon. Sue"
