The Lady:

Good looking blonde girl, quite tall with great figure - wow those boobs.

Another advertising her site through the PN SPD. Had no failures so far from there.

The Story:

Very nice boobs, chatty, cheerful with very nice boobs. Boobs are very nice; enhanced, but still very nice. Quickly sorted out requirements and fees and got down to business. Nice massage with me face down. But could not see those boobs from there so rolled over so I could watch her boobs while she did whatever she was doing. Then onto a good bj and then 69 which she seemed to enjoy. Onto her back for more oral on her and I slid into her for some mishionarry and so I could really close to those wonderful boobs. Finally finished her off with doggy so I could grab her boobs as I shegged her. All in all an excellent service, she tried very hard to do exactly what I asked and did it cheerfully and boobfully. Will have to go back to explore my passion for lingerie and boobs. Fantastic young lady. Annabelle certainly gets my vote.
