The Premises:

A flat above a shop, entry 'round the back. The room is nice enough with mirrors and a porno playing.

The Lady:

Holly is a friendly brunette with a very good body, tanned and toned. She has a couple of tattoo's. Maid said she was 21 y.o. which is believable. Sexy legs and a gorgeous arse.

The Story:

It's difficult to just turn up and see Holly, it's a busy flat. Nevertheless it's worth the wait because she is a friendly, chatty girl who is very good at her job. Greeted with a kiss I was glad I'd waited. The massage was quite good and included some body-to-body, she even did my chest too.

After a quick wet wipe on my cock, Holly gave me OWO and boy is she good. I don't know how I lasted but I did. She sucked fast and slow, licked the shaft and the head, sucked my balls, it was unbelievable. I rubbed her shaved pussy and she responded by pushing back, she even paused from sucking my cock to enjoy it more. After some more oral I went down on her for abit, Holly has a lovely quim and seemed to enjoy being eaten out.

We started sex in missionary position before I asked for her on top. Slowly Holly lowered herself on to my cock and rode for several minutes. She kept her high heels on throughout which was a nice touch. I held out as long as I could but eventually had a good cum. There was no rush when I finished, she even rode for a minute more, a very sexy girl.
