The Lady:

Great-looking, slim and the most beautiful coffee-coloured skin. Thinking about enhancing her breasts but she needn't bother - they're small but perfectly formed.

The Story:

Leah is a superstar if not in name. Very friendly and relaxed right from the start, she makes sure that you enjoy every minute with her. I don't care about how good or otherwise the massage was, that first few minutes just let me know that this was going to be extremely enjoyable. Though the wonderful stroking and grope of my balls whilst I was on my front is always worth the admission fee - why don't all girls do that?

Once turned over we cuddled and kissed and the next however-long was just a spontaneous session of oral, oral-on-her, 69 and a finale CIM that fairly knocked me out.

Leah really is a superb lady to spend some quality time with and I will definitely be seeing her again sometime soon. 10/10.
