The Premises:

On Bury Old Road, next to posh cafe, entrance at rear, where car park is. Inside small reception, ladies waiting. Upstairs room was clean with en suite shower, which I could not get to produce hot water. Porno on TV. Lots of candles, helps to create nice atmosphere.

The Lady:

Maxine is a slim leggy light brunette with a gorgeous pair of boobs.

The Story:

Had rung earlier to see who was working at Karens, but had not made any decision as who to see when got there. Once there I decided that I would like to have a repeat session with Maxine, whom I had seen with Jade about a year ago (FR18230).

Taken up by the receptionist, who asked what I whether I wanted coffee. Took shower, but as I could not get the water hot (my fault not the house, didn't understand the controls) I was out very quickly. Then watched the porno whilst waiting for Maxine. Who appeared about 10 minutes later, with my drink. Apologising that she had been so long, saying that she thought that the receptionist had gone to Brazil for the coffee.

Started with a back massage, with Maxine doing exquisite things with her tongue up my back. Then she started to give nibble my ears, which always turns me on. Rolled over, more light massage as I played with her tits, then she starts to give me oral (uncovered) whilst I played stroked her pussy. Next it's my turn to go down on her which seems to really get her going as she comes. Then on to the fucking, during which she call me a machine, finally we end up with me wanking off while she give me more oo-mox.

A fabulous session.
