The Lady:

Large and extremely busty lady - early thirties. Very pretty and tanned.

The Story:

We talked and relaxed over a glass of wine before undressing and kissing passionately. Trisha loves to kiss and cuddle - more so than any other escort I have seen. Soon she gave me fantastic oral and I was forced to stop her after only a moment since her technique was a little too good!

Sex in several positions and all of the time, plenty of kissing, hugging and rolling about together. Trisha has ample curves and knows just how to use every one of them. She says she is a DD but I am sure her boobs are much larger than this.

This was a great hour with a lovely lady and I have already booked my next appointment with her.
