The Premises:

A pleasant cottage off a main road, with free car parking in a near by street. The entrance is on the main thoroughfare and I felt perfectly safe.

The inside was clean, comfortable and with a great 2 seater settee.

The Lady:

A lovely mature lady who's pictures do not do her justice. In the flesh, she is much prettier. She is very attentive and it is very difficult to believe she is the age she says she is!

The Story:

I arrived early and managed to look around the area before our assignation. The waiting for the final directions was filled with anticipation.

The visit seemed to follow a pattern previously described: A getting to know you chat, a relaxing drink ? substituting water in place of alcohol due to my aversion to drinking and driving. Finally once Chloe decided that I had at last relaxed, she led me up the stairway to heaven!

After the first kiss and cuddle, Chloe slowly undressed me. As each bit of my flesh was exposed, this was quickly covered with a plethora of kisses. Once naked, she began sucking me without cover. Then it was my turn to repay the favour.

Before this long awaited visit, I had read carefully the previous FRs on Chloe. As stated in those reports, her sensitive nipples grew very large when introduced to my lips. As she too became naked, we eagerly kissed and caressed each other. It was during this that I discovered two of her ?weak spots?, which solicited an amazing response! I won't spoil it for others, as finding them is great fun.

I won't go into detail of all that we got up to, suffice it to say that I managed to give her the most amazing orgasm which had an electrifying affect on her.

Once normality had returned we continued our exploration of each other ending with me having a draining orgasm! - Thanks Chloe!

A very pleasant way to spend a sunny afternoon cocooned in the arms of a remarkable lady who paced the session to perfection! It was well worth the long wait to see her.

I am saving up for my next visit ? certainly a lady not to be missed!
