The Premises:

Small but very clean parlour. Although it is on a main road it is fairly discreet and you can wait inside the door for the main door to be opened.

The Lady:

Attractive, busty young lady in late 20's I guess

The Story:

Sam was a really top class punt. After reciving a good massage from he she asked if I wanted to swap roles and massage her. Did I??? Sam was very responsive particularly when my tongue licked its way up the crack of her arse. She loved being rimmed and was quite happy to take a finger deep inside her bumhole. She does A for and extra 30quid but I've saved that for another time. She is wonderfully rude and I doubt there's much she wouldn't do apart from kissing. Fabulous!
