The Premises:

This was my first visit to Aquarius and I was pleasantly surprised once inside, very clean and tidy with much larger rooms than I'm used to. Having read many FR's I was persuaded to have a break from Sandys (which is less than 1 mile away) and I wasn't dissapointed, overall the choice is greater at Sandys but I reccomend Aquarius particularly on on a value for money basis!! There were 3 girls working but only Marie was available, she had just returned from some time abroad and not many of her regulars were aware yet I guess.

The Lady:

Bit girl next door really, not unattractive just not remarkable I guess, around 5'6", blondish hair and nice body, good size boobs not too big nor too small, overall good choice.

The Story:

Service was fairly enthusiastic with OWO particularly good, don't go down on every WG but Marie was particularly pleasant and seemed to enjoy the attention, sex in a couple of positions before hand relief onto her titties, overall a pleasant enough half an hour without being outstanding. Would go back to Aquarius, but there a few other girls to visit before I would see Marie again.
