The Story:

This again is another visit to Peal,but on this occasion i booked using her domination name of mistress pearl,this needs to be done if you want these services,as pearl is to embarressed to mention in case you are offended.

After arriveing and a cuppa,it was into a good spanking,followed by bend over and six of the best with the cane,and followed by five minutes of nipple tortue,i followed this with body worship,and believe me pearl has a lovely body!

then it was to the bed a massage,turned over pearl then gave me oral (covered),nearly to completion,then it was my turn to give her oral,and does she love it.

Then full intercourse followed.

and enjoyable day again

before parting i then had to bend over again to have another six this time with the riding crop,to remind me to call again.

All this for 70 quid !

The only downside for u boys out there,you have to be over 40!
