The Story:

Sara likes to get to know you a little before things get going which was fine by me. Sara has fantastic oral technique, all mouth with v little fingers finishing with CIM. a rest some chat and watching the cricket. Sara then got the vibrator out and seemed to enjoy herself while i enjoyed myself watching then back to some more oral on with the coat for some very very good cowgirl of came the jacket and back to oral for a really nice finish. Sara appears to enjoy her job which makes a visit with her very pleasant
