The Premises:

Followed directions from the maid down a discrete allyway at the side of the flat. Easy parking nearby.

The Lady:

Beautiful blonde girl, mid thirties. She looks like she could of been a glamour model in the past and she hasn't sagged. The photos on the website are real and so are her tits. Very sexy face (esp her sparkling blue eyes)

The Story:

She seemed very eager to impress, lots of hugging & kissing throughout. Fingertip massage with plenty of attention between the legs. Then I went down on her - lots of juice and hip bucking action. she came twice. The she gave me a covered BJ which was ok, finished with 69. All in all she's a ?150/200 experience for ?70 so I say go for it.
