The Story:

The realisation of a dream!!! After showering, I was joined in the room by Maxine. We lay on the bed, kissing and fondling each other, before she slid down the bed, and started sucking my cock. Karen then joined us and stood at the side of the bed, watching and rubbing her pussy. After taking her top and her knickers off, she joined Maxine by licking and sucking my balls. My cock was passed to-and fro between two mouths. Then I got up, and Maxine lay down as Karen & I licked and sucked her pussy. After Maxine had cum, she and Karen swapped places, and Maxine & I licked and sucked Karens pussy. It was on the rubber, and Maxine rode me cowgirl, before Karen lay on the bed, and we finished in mish. To have these 2 girls at once was a dream of mine, and I was NOT disappointed!
