The Premises:

My favourite, Melonie, had been in earlier. I was disappointed to have missed her but with 7 lovely ladies to choose from all was not lost. Abby in seductive black lingerie gorgeous new girl called Claudia looked familiar- only later did I discover why but that's another field report.

The Lady:

Louise-brunette, bustie, brown eyes, quite new-only been there 2 weeks and still nervous and shy. I started off by massaging her back, preferring to give rather than receive. Progressed to some kissing- a long time spent doing this. Really did not want to stop as she excelled at French. Progressing to 69-covered but very nice and deep. Talk about a wet pussy.....I could have stayed there all day. Lovely quite large areolas-a naturally busty young lady. Ooopss I forgot to say she is 23 years old.

Sliding into her soon became a necessity and was oh so good. some more kissing while penetrating added to the intimacy-a very enthusiastic lass.

Pretty certain this young lady will prove very popular and those lucky enough to meet her will be very pleased.

The Story:

A star on the making
