The Premises:

A little bit of heaven.

The Lady:

Having had a great time with Louise, coffee and a fag was required to recover. Watching these young ladies shimmy about the lounge in nearly nothing is always a pleasure.

The Story:

However, got chatting to a young lady that has only been here a week-extremely attractive. On chatting to her I discovered why she looked familiar-I had seen her lap dance before. She's in her early 20's, stunning, slim, blonde curly hair, small bust, very toned legs from the pole dancing.

Having seen her in a "look but no touch" environment I could not resist the opportunity to touch.

Started off by massaging her back, which she seemed to enjoy-she had skin like velvet and an all over tan with no white bits-apparently gained from those 8 minute booth things.

Responsive nipples-there is nothing better than a plump nipple in your mouth. A bit of 69 covered, then on to the main event-those strong toned legs wrapped around tight-very nice.

So, if you have looked at a lap dancer and thought "ok.....I would like to" this is your opportunity to fulfil your fantasy.
