The Lady:

STUNNING mixed race very slim but not anorexic small pert boobs the cutest ass i've eaten for a long time. flat stomach shaved pussy and skin like velvet.but the most captivating thing about Leah is her smile beautiful wide mouth with perfect white teeth.

The Story:

Started with a back massage then turned over and started to kiss then went down on that lovely pussy and ass. Leah loved this. Then we swapped round I had a sniff on the poppers and she started sucking (OWO)as the buzz kicked in. We carried on for a good 10 mins breaking off to french kiss from time to time.

Leah then got on all fours and presented that sweet ass to me I parted her cheeks and stuck my tongue in her anus and pussy she then turned over and I licked her until she came (genuine you cant fake the winking ass)I then fucked her in a couple of positions before cumming in her mouth and she then very sexily let it dribble in to my mouth for me to swallow.

This was the best time I have had with any WG including some so called stars.

Leah you are superb Oh and I agree with the other chap KEEP THE BOOBS NATURAL see you on Tuesday.
