### The Premises:

it is a flat within 3 minutes walk from High Street/Ken tube station.

It is very clean, tidy, and decorated with good taste. You can really make you think that you come to the flat of your young GF.

### The Lady:

Very sexy girl with long blonde hair in early 20s. I saw that she was about 5ft 6in, She has a slender figure and very nicely balanced curves as an icing sugar.

She is not a "bombshell" model. She is more than that. She is far prettier than those unnatural mannequins. She walking naked at bedside is incredibly PRETTY.

### The Story:

A stunning girl. There was a genuinely relaxed and moderate talks at the lounge, and a genuinely relaxed and fresh excitement in bed. I do not go into detail this time. But I absolutely believe that Christine gives a complete mixture of what men want from punting. I just definitely concur to the admirations shown on the previous reports. She is absolutely a Creme de la Creme in London.
