The Lady:

Taken to the room and thought I would be seeing Karen herself, who I saw when I arrived. She was looking very tasty and I was looking forward to the session but I got quite a surprise when in swept Joanne, who is apparently Karen's sister. Joanne is loud and full on, with what could be, with a bit of toning, a sensational bod. Mind, even without, the exercise she is all woman with what appears an enormous sex drive. Tattooes and a couple of love bites let you know straight away that this isn't going to be a Mills & Boon-like encounter.

The Story:

As soon as she entered the room Joanne grabbed me and tried to ram her tongue down my throat, then grabbed my cock, dropped to her knees, said 'Let me introduce myself properly' and promptly filled he mouth right up to the nut sack. Nice ... but a little alarming. As I locked my mouth onto her big boobs and large munchable nipples and slid my fingers into her pussy she started to gasp and whispered in my ear 'Hope you're a pussy licker'. She then threw herself on the bed and spread her legs wide to display a fleshy, inviting, fully shaven fanny. As I enjoyed an early lunch she started bucking and gasping and grabbing her tits so roughly that I thought she's bruise the wares but she still managed to lock one hand behind my head so that I wouldn't stop eating her tasty pie. She then shouts 'Just watch me go' and starts thrashing around as her pussy becomes wetter than a bill poster's bucket. As I was about to come up for air she says 'I'm greedy, do it again' and pushes my head back down to her splodgy pussy. After another wild performance, and without taking a breath, she rubbers me up, climbs on board and vigorously rode me to a climax. Exhausting ... bit too much for me but if you like a full-figured woman with an enormous appetite for dirty sex Joanne will ideal. Me - I thought she was going to blow me out in bubbles so I might just steer clear! But who knows - one day I might just be feeling horny enough ...
