### The Premises:

I liked the place. A bit like someones home, quite cosy. Outside could use a Pub but I don't think Debbie can do much about that.

### The Lady:

Pictures are on website but for obvious reasons do not convey the naughty smile which Debbie possesses

### The Story:

Did a couple of role plays which Debbie excels at. Managed to fit in both Policewoman/arrest and Businesswoman/Job interview in the time. It was a lot of fun and I will certainly be back. Given it was my first visit to a working Lady for some time Debbie was very good at creating a fun and lighthearted atmosphere.
