The Lady:

Shoulder length blonde hair, lightly tanned skin and stunning 40FF tits. Slight tum but basically in proportion.

The Story:

The robot felt it had to check out the FRs about Hayley so it took me there for an early visit and I'm glad it did because she is clearly a popular lady.

She is very interested in Punternet and it seems to have the erectile effect on the prices. I opted for the full deal at 80.

Not a penny wasted. The massage actually very good and the friendly chat made for a nice relaxed atmosphere. Then the white coat came off (short sexy dance) and she got even more friendly.

She knows exactly what to do and is committed to you having a good time. We progressed through breast play, breast play, some more breast play and then some breast play:)

Then onto oral, reverse massage, reverse oral and doggie in front of the mirror. Onto the bed and her on top (well all over, actually. I didn't used to believe in heaven) then a gorgeous tit fuck to finish.

I didn't feel rushed at any point and she came across as completely genuine and eager to please.

Nice girl. Treat her well.

Works Mondays from there and Thursdays from somewhere in Slough.
