The Premises:

The current establishment is private and discreet, easy parking and no through traffic. Little house is on the end of a terrace, clean and comfortable. I was shown into a waiting room by a maid

The Lady:

I first saw Hayley about 4 years ago in both Reading and Maidenhead. Once seen never forgotten!....Her HH cup bust is something special, particularly as those monsters are so firm and heavy. When I found out she was working again from Punternet I wondered if I should risk getting hooked again...A session with HAYley is very compelling and being squeezed between her big melons is very addictive..you have been warned! I held back for about a month before knowledge of her being in Maidenhead was too much for me, don't remember much about the erection-inspired drive to see her! I was surprised that she recognised me instantly and made a big fuss of me. I was already 'pointing' at her somewhat rudely and Hayley, wearing a short white dress and showing acres of cleavage looked at my crotch and did a fetching little dance although we were still in the same room as the maid (who had obviously seen it all before!)..IT was like being pulled in on a rope as Hayley walked backwards into the bedroom and I was tugged along..very sexy opening that

The Story:

Her huge bust seemed bigger than ever and Hayley pulled my head down onto her cleavage. She said she was so pleased when a client comes back to her after so long, said it gave her a real kick to have such a hold on someone. Certainly the bond betwixt cock and cleavage was as strong as ever as my bone was straining to get lost in there. First I was treated to some wonderful oral, then invited in for some missionary before we reversed positions and she mounted me. With those huge tits bouncing over me I soon lost it and Hayley emptied my balls with some wonderful vaginal manipulations..She is great fun to be with even without that one in ten thousand HH cup bust...Problem is how to resist more wallet sapping visits!
