The Premises:

Debbie does Turkey !! She?s gone international boys !! Hotel room in Turkish Town near world famous hot springs (not the only thing that was hot in Turkey that night).

The Lady:

Bubbly, curvaceous, good looking, naughty brunette with mischievous green eyes. Fantastic personality and brilliant, witty sense of humour. You have been warned.

The Story:

Had the good fortune to be holidaying with friends in Turkey, including Debbs and some of the Anerley Gang. I thought Debbs was after my body, but it turned out she wanted me for my digital camera instead. Well not one to miss out on an opportunity I arranged an evening liaison with South London?s finest. Well the Russian girls weren?t really up to scratch !!Met for dinner and then retired to the pool bar for the evening entertainment (not the other - the hotel?s entertainment !!). The hotel had a belly dancer performing so we sat, chatted and enjoyed the young lady gyrating erotically to the Turkish music. Obviously hoping something else would be gyrating erotically later that evening. Unfortunately Debbs needed her energy for later and could not be persuaded to get up when the dancer asked for volunteers. Debbs has some great erotic Eastern outfits and is a bit of a mean belly dancer herself. At Anerley she even has the authentic belly dancer music to get you in the mood as well as plying you with apple tea. After the belly dancer had been round and had people stuff money down her top she disappeared and was replaced by some ugly Russian geezer on the dance floor trying to kop off with all the Russian girls. Well the music played on and people got up dancing. Had a little dance with Debbs and then to the sound of Kylie Minogue?s ?Can?t get you out of my mind? we retired to Debb?s bedroom. I do not know if it was the Turkish wine or the relaxed atmosphere of the holiday but Debbie was quite giggly this evening (definitely not drunk as she really doesn?t drink much). You see when Debbs is in this mood she tends to be a bit mischievous and wants to do naughty things. Previously this has resulted in me losing my shorts in a skinny dipping incident and nearly being arrested ? but I won?t go into that now. This evening she wanted to go to the hotel jacuzzi but unfortunately (or fortunately for me) the staff told us we were not allowed, as it was too late. Well we were now left with no choice but to entertain ourselves in Debbs bedroom. Spent a few minutes jumping around the bedroom swatting mossies so Debbs

could get a nights sleep after I left (she?s not a big insect fan, especially ones that bite). Now Debbs drew me close and I held her in my arms. It felt so good to be alive and holding this beautiful creature. Debbs didn?t want to stay like this too long and started ripping my clothes off. Of course I had to do the same and we ended up entwined naked on the bed laughing. Debbs has the most erotic touch and she was now using it very effectively to get me aroused. She expertly uses her tongue and hands all over my body and the touch of her soft skin against mine is so exquisite. Of course I had to return the favour and tried to pleasure her as best I could. Fondling her womanly curves and kissing her soft skin was taking me to heaven. Eventually I could resist no more and so on went the condom and after some wonderful oral from Debbs she let me enter her. Sex with Debbs is fantastic. She manages to touch all the right buttons as far as I?m concerned and tonight was definitely one of the best nights I have spent with a lady. Finally the fun was over in a breathtaking orgasm and I held onto Debbs whilst riding the wave of vibrations running the length of my body. We lay in each other?s arms chatting for a while and then I gathered my clothes strewn around the room and with a goodnight kiss retired to my bedroom for a restful night?s sleep. If I could make a moment last forever this would have been it. Beautiful exotic location, beautiful erotic lady. Debbs will make you feel special and in herself she is one very special lady with a genuine heart. She?ll take you on the ride of your life and you?ll never forget the experience. This night will be with me forever and for that I cannot thank her enough. Debbie is the real deal. She is so fantastic at what she does that she makes it hard (every time) to see other girls because they cannot come close to how good she is. She truly is an international escort. Just wait for the brilliant new photos soon to appear on her website as I was lucky enough to have a little preview of them.
