The Premises:

This place is known as Affinity, which gives the impression it's a parlour. However, it's not - but one girl daily. It's easy enough to find from the directions given, and easily accessible by road or by the Croydon tramlink. The area is fine, and there's a small park nearby, which is useful if you undergo a long wait(see below) The flat is very nice. There's a comfortable waiting room, which comes complete with a selection of porno magazines. The bedroom is small, but very nicely fitted out with mirrors, soft lighting, adult videos and a clean comfortable bed.

The Lady:

Holly is a lovely and very sexy girl. I've seen her described in a previous report as a girl next door type, which seems apt. She is naturally pretty without the need for vast amounts of make up or enhancements, which for me makes her incredibly sexy. She's like many girls I've studied or worked with, which all adds to the appeal.

Late teens or early twenties, about 5 feet 6 with short dark brown hair. Lovely firm B to C cup breasts, and a very cute bum.

The Story:

Be prepared for a lengthy, but well worthwhile wait to see Holly. I first knocked on the door at 4.20, and got to see Holly just after 6.

The maid was upfront, and asked me to come back at 5.30, so the nearby park was a good place to wait. Then it was half an hour in the waiting room. Holly was very apologetic about the wait, and sure enough I was about to find out why she is so popular. It was an extremely friendly welcome - the kind that makes your spirits rise if you've ever experienced a harsh and unfriendly punt, as most of us have.

Holly asked if I would like a massage, which I always like as a way of relaxing into an encounter. However, I mean this in the nicest possible way - but Holly wasn't really into massaging as she's so keen to get onto sex play. But as she'd stripped off, and was doing a body massage onto my back I soon forgot the finer points of a fingertip massage too, and started to feel around her body. The rest came very naturally. I was aching to feel Holly's breasts, and have a suck as they really are exquisite. As I moved my hands between her legs to explore, she did superb OWO. Holly was getting wet while I stroked her lips and clit, and I was groaning with pleasure.

She mentioned that she likes hard sex, and has to really remember sometimes to take it slower. It

was a difficult choice to make as she's enjoyable from every angle, but I took Holly from behind. Because of the aforementioned encouragement to go fast, it wasn't a tremendously long time to a climax, but was thoroughly enjoyable.

We had a nice chat afterwards, which certainly made it clear to me that Holly really enjoys her work. I know I did as well, and it's a real pleasure to find someone who's so friendly, and can provide real satisfaction. Highly recommended.
