The Premises:

Very pleasant modern house in quiet newish estate. Park outside, very safe. Nicely furnished welcoming bedroom with shower room.

The Lady:

As always, much prettier in the face than you get the impression from pictures on website. Early 30's, looks barely this, and Danni is ideal for those who like their ladies just nicely rounded.

The Story:

Chatted easily over a drink, then retired to bedroom. Session was what you would expect of a relaxed but sexy GFE. All the usual things happened without going into detail. Finished off with a shower.
