The Premises:

Nice safe neighbourhood of detached houses with large gardens in easy walking distance from Gatwick North terminal and most boarding houses. Ample parking. Entrance very discreet. Clean and well furnished interior. Shower available. Next to the bedroom there is another room obviously dedicated to domination games.

The Lady:

Pamela is a big girl in her early twenties, well proportioned with large breasts (d ... dd) but not fat. She has relatively short slightly curled dark blonde hair (consistent with the colour of the small trimmed strip that decorates her mound). She has a charming smile and is one of those ladies you feel instantly comfortable with.

The Story:

The menu and list of prices in this house is quite intricate. I had settled for VIP with kissing and mutual oral. Kissing was a bit awkward at the start and became rather intense later into the session, when we got the feel for each other. After some initial fondling and kissing I proceeded to cunnilingus, which she seems to appreciate very much, followed by 69 . After a short shag in missionary (Criticism: Too much distracting checking of the fit of the condom ...) we reverted to more oral and finally she got me off by hand, kissing and in tight embrace. Usually I do not like manual completion, but this one was different - very intimate and not mechanical.
