### The Premises:

Warm, clean and comfy flat near Moortown. A bit basic but ideal for the purpose!

### The Lady:

Trisha is a large and very curvy lady with massive boobs. She is tanned and also good looking. I always enjoy my ladies busty and this is what made me choose Trisha - and busty she certainly is! I would have happily spent the hour playing with just her boobs if I had to.

### The Story:

Had a great time with this voluptuous lady. Trisha is such a polite and genuine lady that time spent in her company is a joy. She knows exactly how to satisfy a man and I will almost certainly see her again when next in Leeds.

As for the recent report from the chap who did not like her - I think he saw a different lady perhaps?
