The Premises:

Another visit to the Georgian in Oldham, I think this place is very good value for money and now I have found the car park at the back of the Georgian it is even more convenient. The Georgian is safe, clean and very good value, the only downside is that the punters tend to be very quiet, and the reception is a bit like a doctor's waiting-room, a bar such as that at world-famous babes would really add atmosphere to the place, having said that I still think that it is one of the best parlours I have found.

The Lady:

Anna is a lovely petite brunette, with a pretty face a nice pair of small but pert tits with lovely erectile nipples and a lovely figure. Undressed she is a very sexy minx with a nice, small natural trimmed fanny, and a lovely arse. She looks to be in her early twenties.

The Story:

I was feeling randy and as I had had such a good time in Oldham previously I decided that another visit to the Georgian was in order. There were five girls working and after a certain amount of deliberation I decided upon Anna I was not disappointed, she showed me into the room and set the shower off. I had a nice fresh invigorating shower dried myself off and stretched out on the bed and waited for Anna to return. She came back in and asked if I wanted to use the Jacuzzi I said yes and she started to run it, at the same time she was slowly removing her clothes revealing her lovely body to me. She asked if I would like a massage and proceeded to give me a lovely oily one, after a few minutes of this I couldn't wait to get my hands on her lovely body which of course I did and followed this up with some lovely oral action. This naturally lead on to lots of hot sex in many different positions and a lovely climax. Exhausted we took full advantage of the hot Jacuzzi and had a nice relaxing talk about life, music and the universe! Altogether a lovely experience with a lovely lady which I look forward to repeating.
