The Lady:

Angel turned up bang on time and what a stunner she is!!!!

I'm a bit wary of these Hungarian lasses that this agency brings over for a short time on a fairly regular basis for various reasons. But the pics on the site above and a couple of others got the better of me and I just had to see her!

The pics of her outside are more of a likeness to her, than the interior 'glamour' shots. Discription is accurate apart from the being Swiss thing.

She has a great allover tan and a personality to match. I am led to believe she is quite a famous model in her native country(has appeared in FHM, Penthouse and is gonna be in Perfect 10 in Dec 2003) and I had no reason to disbelieve her on that score!

The Story:

To see this girl nude is something else. She did kiss me quite passionately when we were getting down to business and owo is a dream come true. But I think these are done at her own discretion, so don't say I didn't warn you.

For me, well, I had a fantastic time. After shagging for a couple of hours I took her out to lunch and boy what a treat that is walking hand in hand with her in Earls Court on a sunny day!

Quick drink in a pub as I was the perfect gentleman and walked her back to her flat as it was very close by.

As I said earlier Angel is staying in the UK for a limmited time and has no plans to return.....So get in quick while you can!!!!
