### The Story:

First time at Scorpio, but will definitely return if this is anything to go by. Visited Zoe after reading her reviews and they are all justified. Started with a massage and thereafter lots of kissing followed by an awesome BBBJ. By way of an interlude, I returned the oral favour and seemed to particularly hit the spot when I turned my attention to that awe-inspiring bum. I had gone with the intention of the Full Monty but her oral skills were so good that the temptation to finish there was just too great. Not a condom in sight and the look on her face at the crucial moment was one that I wish I could have captured for ever! A leisurely 15 mins in the sauna, a quick shower, yet another coffee and I was on my way with a smile on my face. I retired for a pint to contemplate a very pleasant way to spend a Sunday afternoon.
